## WHO WE ARE

**T**itlas Manpower Recruitment and Executive Search Team is an arm of Titlas Inc, formally established in the state of Florida, USA in 1984. Our team comprises of highly trained and experienced Human Resource Management experts all of who had worked for multinational corporations in UK and USA. Operating under seasoned and renowned Management Consultants, we pride ourselves in meticulous assessment of candidates for each post on our vacancy notice board in the UK, USA and Africa. Our search light is extended to all part of the globe to ensure that only the best hand is taken on board for our clients. Whether you need to control workforce costs, find talent for hard to fill positions or hire a large workforce for peak demand, Titlas Manpower's staffing services can help you achieve your goal.

Dr Layo Adeniyi, CEO

**E**xperience is core to your competitive advantage. But at the same time, your success depends on the flexibility to staff up or down based on business demands, plus the ability to produce efficiently in order to keep costs in check. That is why Titlas Manpower service gives you both talent and experience resourcing options - so you can find the skilled people you need to drive business performance, while benefiting from the agility you need to respond smartly to workload fluctuations.

Emmanuel Delahunt  
Executive Director

**W**hether you are Hospital that need specialists in various medical field, Nurses and Ward Assistants, Construction/manufacturing company in need of high skill Engineers, skill and unskill labor, College, High School or Nursery/Primary School looking for seasoned and experienced academic and administrative staff, Bank or Financial Institution in search of Finance experts, or a new company that need I.T. experts, at Titlas we delight in ensuring that your workforce team achieve your goals. Just like you, we see ourselves as part of the need to meet customers demand, manage workforce costs and outdo the competition more than you ever thought possible.

## WHAT WE DO

**O**n case to case basis, we set up search committees which include members from different perspectives and expertise, and with demonstrated commitment to diversity in the related industry. Our search committees include women and men of impeccable professional resource. We also consider it helpful to appoint some search committee members from outside the related industry to have independent opinion in our recruitment process.

Ann Rolf  
Recruitment & Placement  
Manager

**T**his is to articulate the fact that diversity and excellence are fully compatible goals and can be pursued simultaneously. This help us to identify selection criteria and develop the position description prior to recommending candidates to the prospective employer. We define the position in the widest possible terms consistent with the department's needs.

Wosenu Motuka  
Head of Search Team

**E**ducational and professional qualifications are crucial in determining the professional training acquired by candidates, this is why we place premium on the Institution attended by applicants.

**W**hen placing vacancy on our notice board on the internet, we aim for consensus on specific specialties or requirements, while casting our hiring net as broadly as possible in the continent of Africa, we make sure that the position description does not needlessly limit

the pool of applicants. For some position descriptions we may insist on experiences, while yet in others we lay emphasis on talent as related to specific industry. We consider as important selection criteria for all candidates regardless of their demographic characteristics, the ability of the candidate both to add intellectual diversity to the industry, and to work successfully with diverse colleagues.

## OUR MISSION

**O**ur mission is to deliver excellent service to our clients irrespective of the industrial sector.
