TITLAS

WHO WE ARE

Titlas Manpower Recruitment and Executive Search Team is an arm of Titlas Incorporation, formally established in the state of Florida, USA in 1984. Our team comprises of highly trained and experienced Human Resource Management experts all of who had worked for multinational corporations in UK and USA.

Operating under seasoned and renowned Management Consultants, we pride ourselves in meticulous assessment of candidates for each post on our vacancy notice board in the UK, USA and across the countries of Africa South of Sahara.

Our search light is extended to all part of the globe to ensure that only the best hand is taken on board for our clients. Whether you need to control workforce costs, find talent for hard to fill positions or hire a large workforce for peak demand, Titlas Manpower's staffing services can help you achieve your goal.

Dr Layo Adeniyi, CEO

Experience is core to your competitive advantage. But at the same time, your success depends on the flexibility to staff up or down based on business demands, plus the ability to produce efficiently in order to keep costs in check. That is why Titlas Manpower service gives you both talent and experience resourcing options - so you can find the skilled people you need to drive business performance, while benefiting from the agility you need to respond smartly to workload fluctuations.

Whether you are a big Specialist Hospital that need specialists in various medical field, a new or old Teaching hospital, Psychiatric homes, Orthopaedic hospital, Physiotherapy centre, Handicapped centre, or Old People Care Centre in need of care personnel, at Titlas, we delight in ensuring that your workforce team achieve your goals.

Just like you, we see ourselves as part of the need to meet your patients demand, manage workforce costs and outdo the competition more than you ever thought possible.

Emmanuel Delahunt
Executive Director

WHAT WE DO

Our medical personnel search team is led by Dr Andrew William who is currently in private practice in the UK after working in Africa for over 20 years in countries like Nigeria, Kenya, Botswana, Ethiopia and Zimbabwe. He knows how to identify a competent African medical workforce.

Supported by Mrs Henrietta Adams whose knowledge of African hospital workers is monumental.

Ann Rolf
Head Search Team

The team articulate the fact that diversity and excellence are fully compatible goals and can be pursued simultaneously. This help us to identify selection criteria and develop the position description prior to recommending candidates to the prospective employer Define the position in the widest possible terms consistent with the hospital's needs.

Wosenu Motuka
Head African Manpower

Educational and professional qualifications are crucial in determining the professional training acquired by candidates, this is why we place premium on the Institution attended by applicants.

When placing vacancy on our notice board, we aim for consensus on specific specialties or requirements, while planning to cast the hiring net as broadly as possible. We make sure that the position description does not needlessly limit the pool of applicants. For some position descriptions we may insist on experiences, while yet in others we lay emphasis on talent, depending on talent as related to specific industry. We consider as important selection criteria for all candidates regardless of their demographic characteristics, the ability of the candidate both to add intellectual diversity to the industry, and to work successfully with diverse colleagues.

OUR MISSION

Our mission is to deliver excellent service to our clients irrespective of the industrial sector. We have a policy of making clients satisfaction an incontestable objective as a multi facet recruitment specialist and primarily act on a contingency basis placing temporary, fixed term contract and permanent workers. We aspire to be one of the leading recruitment organisation globally, having successfully register our presence in the UK, USA, Africa, and UAE.

Our continued commitment to excellence offer value for money and good relationship with our clients. One of the secrets of our success has been our ability to react quickly to changing market conditions. Recent years have seen an increase in partnership working between different industries, which has helped to drive business forward and has naturally led us to increase our attention and focus on unusual terrains. Today our clients include banks, professional organisations, private and public healthcare providers, Schools of various grades including universities and colleges.
